Deena Errampalli

Burlington resident, Dr. Deena Errampalli is a full time agricultural scientist and part time artist. Dr. Errampalli is an award winning fine art painter, printmaker and photographer. She paints in different media, working on a variety of subject matter both in plein air and in her studio. Some of her art work was accepted into juried and non-juried group shows and has shown her work in solo exhibitions. She is a member of Burlington Art Centre and Burlington Fine Arts Association. Deena's art work is displayed in Canada, Italy, the US and India.
